Dave Robbins is a renowned figure in the realm of Bible prophecy recognized for his knowledge and understanding of world events through the lens of current events in prophetic scriptures.

As host of “The Endtime Show,” an international radio and television program, Robbins has captivated audiences with his insightful analysis and interpretation of current events. His ability to connect real-time occurrences to biblical prophecy has solidified his position as one of the foremost authorities in this field.

In addition to his role as a media personality, Robbins is the editor of *Endtime* magazine, a publication that delves deep into the intricacies of biblical prophecy and its relevance to the modern world. He also hosts the highly regarded Holy Land Prophecy Tour, a captivating journey through the historic and sacred sites of Israel, exploring their prophetic significance.

Dave Robbins is interviewed for his profound insights and commentary on world events in light of Bible prophecy. His ability to articulate complex concepts in an accessible manner has earned him recognition and respect among people.

Irvin Baxter was a visionary leader and an influential figure in the realm of biblical prophecy. In 1986, he founded Endtime Ministries, an organization dedicated to exploring and disseminating knowledge about end time events and their connection to biblical teachings. Serving as the president and CEO, Baxter led the ministry with passion and dedication until his passing in 2020.

With a multifaceted career, Baxter made significant contributions as a television and radio talk show host, captivating audiences with his insights and in-depth understanding of prophetic scriptures. He was interviewed by the Associated Press, Discovery Channel, Cloud Ten Pictures, The History Channel, The Washington Post, CNN and HBO. He was a frequent guest of the late Marcus Lamb and his wife Joni on Daystar, TBN’s “Praise the Lord” with the late Dr. Paul Crouch and Coast to Coast with George Noory. His ability to engage and educate people about the complexities of end time prophecies made him a sought-after international prophecy teacher.

Beyond his captivating presence in the media, Baxter was also a prolific author and publisher. He penned numerous books delving into topics such as the end time, the Book of Revelation and the prophetic significance of current events. His writings offered readers an enlightening perspective and fostered a deeper understanding of biblical prophecy.

Throughout his life, Irvin Baxter left an indelible mark on the study of end time events. His commitment to spreading the message of God’s plan and his tireless efforts as a teacher and communicator have impacted countless lives. Today his legacy lives on through the ongoing work of Endtime Ministries, inspiring others to explore the prophetic scriptures and seek a deeper understanding of God’s plan.

This project began in the mid 1960s.

As he was praying and studying, God revealed to my father-in-law — the late Irvin Baxter (Dad) — that the United States and other modern nations are mentioned in the prophecies of the Bible. Shortly thereafter, he saw the Four Horsemen of the Apocalypse, world government, the Holy Roman Empire and many others as his prophetic understanding rapidly increased.

He taught these prophecies until 1986 when he published his first book “A Message for the President.” In that book, Dad stated the Berlin Wall would come down, the two Germanies would reunite and that would be the catalyst launching the New World Order. This was the healing of the deadly wound mentioned in Revelation 13.

Three years after the publication of his book, the Berlin Wall was torn down, the two Germanies did unify and within 20 days Mikhail Gorbachev, George Herbert Walker Bush and Pope John Paul II came out of their meetings in Malta announcing the birth of the New World Order.

The only way Dad knew these things was because God had opened his understanding of Bible prophecy.

The original “A Message for the President” book included many of the lessons in this workbook. Over the years we have updated them because several of the prophecies have either been fulfilled, are ongoing or we are watching precursors to every single one.

Since that first book we started *Endtime* magazine in 1991, created a teaching flip chart, produced both VHS and DVD series of the “Understanding the End Time” lessons, went on the radio (“Politics and Religion”) in 1998 and television (“End of the Age”) in 2009. We also now own and facilitate the Jerusalem Prophecy College both in Jerusalem and online. Because of the immense censorship we have experienced, our latest endeavor is the all-encompassing Endtime+ platform and many other projects are in the works.

We use these methods to instruct and keep people updated on a current basis as to how all the prophecies are converging simultaneously. It is our God-given assignment according to Daniel 11:32-33, “And such as do wickedly against the covenant shall he,” the Antichrist, “corrupt by flatteries: but the people that do know their God shall be strong, and do exploits. And they that understand among the people shall instruct many ... ”

It is our hope you will learn these lessons and then teach them to your family, friends and entire sphere of influence. Why?

Because the End Time is Now!

On our weekly television and daily radio program “The Endtime Show” we explain how current events are fulfilling Bible prophecies written thousands of years ago. This proves conclusively we are in the end time.

Originally Dad, and now Doug, Vince and I report on topics such as world government, world religion, precursors to the Mark of the Beast, World War III, the reborn Holy Roman Empire, Israeli/Palestinian peace, red heifers, the Third Temple, Armageddon, the Rapture, Second Coming, the Kingdom of God and much more.

The timing of these events is of utmost importance. We are just prior to the time when Jesus will return to establish His Kingdom on the Earth for 1,000 years. In the brief time remaining, prophecies foretell perilous times.

Do you understand the prophecies enough to instruct your loved ones and others about the end time events and the brief period of time we have left? How will they know which events to avoid or participate in? They won't unless we teach them.

If not us, then who? If not now, then when?

Why the sense of urgency? Because the end time is now!

P.S. Dad and I had planned to update the original “Understanding the Endtime” series in January 2021. However, God had other plans and decided to take Dad to be with Him on Nov. 3, 2020.

As our team gathered to discuss how to proceed with the project, I knew we couldn't do it without Dad. Therefore, we made the decision that I would teach the lessons but bring Dad on to tell the miraculous stories of how God revealed these prophecies to him.

With that said, I want everyone to know, and Dad would agree, that all the accolades, credit and praise for this project always has and always will belong to our Lord and Savior, Jesus Christ.

I hope you enjoy this workbook, along with the book and the accompanying video series.

There were approximately 100 prophecies given before the First Coming of Jesus to the Earth. He fulfilled every single one of those prophecies to the minutest detail. No one should have missed His First Coming — but most people did because they didn't know the prophecies.

Today we are living just before the Second Coming of Jesus to the Earth. We don't have 100 prophecies; we have closer to 1,000 yet the Scriptures tell us most people will miss the Second Coming. Again, this will happen because people do not know the prophecies.

This "Understanding the End Time" workbook with outlines and quizzes supports the content of the videos and the book and is not designed to stand alone.

Dr. Shawn & Tammy Turner: A Life of Service, Leadership, and Faith

Dr. Shawn Turner and his wife, Tammy Turner, have dedicated their lives to ministry, humanitarian work, and spiritual leadership, both in the United States and internationally for over 25 years. Their journey has spanned decades, marked by unwavering commitment to serving others, promoting biblical education, and bridging cultural and spiritual divides.

Early Ministry and U.S. Leadership

Before relocating to Israel, Dr. Shawn Turner (*ChildrenOfAbrahamMinistries.com*) held various ministerial positions within the United Pentecostal Church International (UPCI). Renowned for his dynamic preaching and compassionate leadership, he swiftly gained recognition as a trusted voice in pastoral ministry and theological education. Alongside Tammy, Shawn played a pivotal role in leading congregations, mentoring ministers, and organizing community outreach programs across the United States. Currently, his leadership as President of International Biblical College Jerusalem (*IBCJ.CO.IL*) has become a cornerstone in teaching the Bible to nationals and internationals in the Middle East through teaching and prayer centers throughout the region.

Tammy Turner, equally committed to ministry, has served alongside her husband in every aspect of their shared mission. Her strengths in teaching, counseling, and hospitality have made her a pillar of support within the congregations and organizations they've led. Tammy is known for her warm, approachable spirit and her passion for uplifting others through faith and kindness.

Establishing a Base in Jerusalem

In a significant chapter of their lives, Dr. Shawn and Tammy Turner answered the call to expand their ministry to Israel as President of International Biblical College Jerusalem (*IBCJ.CO.IL*). Following in the footsteps of Dr. Robert and Beth McFarland who envisioned Jerusalem as a hub for global prophetic education, the Turners now oversee work that continues this legacy.

Dr. Turner also serves as the Superintendent and Director of the United Pentecostal Church Israel, headquartered in central Jerusalem. Under his leadership, the organization has grown to include prayer centers throughout Israel, where both national and international believers gather to pray, study, and deepen their understanding of prophetic events and biblical teachings.

Their work in Jerusalem also includes stewardship of the property originally purchased by Dr. Baxter, a beautiful office and meeting space strategically located in the heart of the city. This space serves as the global headquarters for Jerusalem Prophecy College and International Biblical College (R.A.) as well as a central meeting point for the church's humanitarian and spiritual outreach.

Children of Abraham Ministries

In addition to his role with UPC Israel, Dr. Turner and Tammy co-founded Children of Abraham Ministries (ChildrenOfAbrahamMinistries.com), a humanitarian and spiritual outreach program aimed at fostering unity, compassion, and support for those in need. Through this ministry, they coordinate the distribution of food, clothing, and other critical supplies to families across Israel. Their work also includes assistance for lone soldiers, helping provide winter clothing, meals, and emotional support to young men and women serving in the Israel Defense Forces (IDF) without immediate family nearby.

Humanitarian Leadership During Crisis

During times of war and national emergency, Dr. Turner has helped organize efforts to feed those on the front lines, deliver supplies to displaced families, and assist vulnerable communities throughout Israel. The Turners' commitment goes beyond spiritual leadership; it extends into tangible acts of love and care for people facing hardship.

Educational Outreach and Prophetic Teaching

Continuing the tradition of prophetic education, Dr. Turner also works with international teachers and speakers to offer classes on end-time prophecy, current events, and the biblical teachings regarding the Messiah's return. With a global audience tuning in via online platforms like Zoom, these sessions have reached thousands of believers eager to understand the signs of the times from a biblical perspective.

Legacy of Service

Dr. Shawn and Tammy Turner's life work represents a rare combination of spiritual leadership, practical humanitarian aid, and prophetic teaching. Their legacy is one of bridging continents, cultures, and hearts, from the streets of North America to the ancient city of Jerusalem.
